RE: RESIGNATION FROM LIVIA HOMES

I hope this message finds you well. After much careful thought and reflection, I am writing to formally resign from both my position as Software Developer and my role as a partner at **Livia Homes** and **Tuhoyee**, effective 6th March 2025.

This was not a light decision to make. I have truly enjoyed my time at Livia Homes, and it has been an incredible opportunity to collaborate with such a talented team and to contribute to the growth of the company. However, after much personal consideration, I have concluded that it is the right time for me to step away from both my development responsibilities and my involvement as a partner. I want to express my sincere gratitude for the opportunities I have had to contribute to the company's success, as well as the valuable relationships and experiences I've gained along the way. Working alongside such passionate and skilled individuals has been both fulfilling and rewarding. I have immense respect for the work we've done together and remain deeply appreciative of the support I've received from everyone.

I also look forward to discussing the necessary steps to finalize my departure as a partner, to ensure a seamless transition for the company as a whole.

I remain highly appreciative of all the opportunities, growth, and connections I've experienced with Livia. I wish the team success in all future endeavors. Thank you once again for everything. I am grateful for the time we've worked together and look forward to seeing the company continue to thrive.

Sincerely,
Aisha Kikari
